CLIMBING BIRTHDAY PARTY

Hello,

Your child has been invited to a really fun birthday party with their friends at VietClimb !

Our team is providing a unique and exciting experience based on bouldering and climbing games. A safety rule, warm up and a basic climbing technique lesson are provided by VietClimb's instructors.

For children under the age of 18, the party organizer must complete a consent form on your behalf, requiring your child's date of birth and any relevant medical information. By signing the consent form they will confirm they have read and understand all the terms set out in the waiver form.

For queries, email info@vietclimb.vn or phone **04 6682 4352**
